7.Tournament description: 2m and 80m short distance competition with an intermediate relay point to change receivers.

Description: Transmitters give their call sign every 5 minutes for one minute, according to the classic competition.

Competitors start with a 2m receiver. Everyone will look for the same 5 transmitters, then after arriving at the intermediate destination, they will change the 2m receiver to the 80m one, and then also find 5 transmitters. They must finish the competition within the limit time. Both beacon transmitters will transmit MO.

8.Rewards:

Competitors are judged on their individual performance. The first three places will receive a medal, and every successful person will be awarded a diploma.

The club with the most points earned wins the Orgován Ferenc Cup.

How to score a cup: All successful riders will earn point(s) in each category, except open category, such as:
